

Appendix 1

Multi Agency Coordination

Appendix One – Multi Agency Co-ordination

Industrial Accidents & Environmental Pollution	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
<p>Fire and explosions</p>	<p>NIFRS PSNI NIAS Site Operators Utilities</p>	<ul style="list-style-type: none"> • NIHE (homeless provision & temporary repairs to both private and public sector homes) • Voluntaries re Rest Centres • EHSSB • Belfast H&SC Trust • MCA (if at sea) • EHS (re water pollution) • HSENI¹ • BCC (rest centres, cleanup, structural safety) • MOD (only via PSNI) • Met Office (forecasts, eg wind speed and direction) • Utilities • Transport Operators (if evacuation required or disruption to routes) 	<ul style="list-style-type: none"> • Water Service (water supplies for fire fighting purposes) • Press & Media Officers of responding organisation • Roads Service (if roads blocked or damaged). • DHSSPS • CCPB / NICS Departments • Community Groups 	<p>PSNI</p> <p>NIFRS will control the hot zone of the incident.</p> <p>NB – there are specific protocols already in place for COMAH sites which should be referred to in a COMAH incident</p>

¹ HSENI are not responders but maybe required at site for their expertise & knowledge particularly but not exclusively re COMAH site

Industrial Accidents & Environmental Pollution	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
<p>Toxic Chemical Release / Biological substance Release</p>	<p>NIFRS PSNI NIAS Site Operators EHSSB – public health</p>	<ul style="list-style-type: none"> • NIHE for homeless provision • BCC (rest centres, cleanup). • Belfast H&SC Trusts • EHS (if environmental contamination). • Government Decontamination Service (via CCPB if large-scale decontamination required). • Met Office (plume modelling through CHEMET procedures). • HSENI • MOD (via PSNI) • Water Service (in relation to disposal of contaminated water and safeguarding the sewerage network). 	<ul style="list-style-type: none"> • Rivers Agency • Press & Media Officers of responding organisation • CCPB (if significant area or number of people affected). • DHSSPS (if significant numbers of casualties or contaminated people). • Roads Service (if roads blocked or contaminated). • Utilities (if contamination to infrastructure or need for additional services). • Transport Providers (re evacuation or if disruption to transport routes) • Voluntaries • Community Groups • CCPB / NICS Departments • NIO 	<p>PSNI or EHS</p> <p>(If there is a threat to life, the PSNI will coordinate. If there is no threat to life the coordination role should pass straight to EHS)</p> <p>NIFRS will control the hot zone of the incident.</p>

Industrial Accidents & Environmental Pollution	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
<p>Major contamination incident with implications for the food chain.</p> <p>Activation is likely to be part of a regional response</p>	<p>EHSSB Public health DETI FSANI</p>	<ul style="list-style-type: none"> • BCC (Environmental Health function). • Water Service (if contamination affects water supplies and provision of alternative water supplies). • DARD • PSNI • NIAS 	<ul style="list-style-type: none"> • DHSSPS if contamination has health implications (short or long term). • CCPB / NICS Departments (DHSSPS) • Belfast H&SC Trust • Press & Media Officers of responding organisation 	<p>As a response is likely to be required at a regional level, the appropriate strategic crisis management machinery (CEMG or CMG) would be established</p> <p>FSANI would co-ordinate the response re food chain issues.</p>
<p>Pollution of air, land, sea and inland waterways</p>	<p>MCA (at sea) EHSNI (on shore or inland waterways) DARD Rivers Agency Water Service Site Operator NIAS (if casualties) PSNI (if significant and immediate threat to life or health)</p> <p>Site Operators</p>	<ul style="list-style-type: none"> • NIHE (for homeless provision) • BCC (in support of EHS) • Liganside Corporation • DRD Water Service • NIFRS • Harbour Commissioners • Met Office 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • FSANI (if implication for food chain). • Belfast H&SC Trust • Community Groups • CCPB / NICS Departments • Waterways Ireland • Civil Aviation Authority • Royal Navy • Transport Operators • Animal Welfare / Environmental Groups 	<p>MCA (at sea incident) EHS (coastal, river, land or air incident).</p>

Industrial Accidents & Environmental Pollution	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Forest / Moorland Fire	NIFRS Utilities PSNI	<p>NIE – NIE if damage caused to network</p> <p>CCPB - Belfast City Council (council property threatened, if need to evacuate residents). Community Trusts (if need to evacuate residents). Met Office (wind forecasts). PSNI (if need for traffic control, evacuation).</p> <p>BCC – Met Office, NIAS</p>	<p>CCPB - Roads Service (if fire/smoke is affecting roads).</p> <p>BCC – Translink, Belfast City Council, Voluntaries, A&Es Media, Community Groups, DARD Rivers Agency, EHSNI, CCPB / NICS Departments</p>	<p>PSNI – NIFRS</p> <p>NIFRS – NIFRS</p> <p>CCPB - Co-ordination of fire fighting: NIFRS. General co-ordination if required: PSNI</p> <p>BCC - PSNI</p>

Transport Accidents	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Accidents at Sea	MCA Harbour Commissioners NIFRS Ship Operators NIAS PSNI	<ul style="list-style-type: none"> • EHS (if oil/fuel/cargo likely to come ashore) • Belfast H&SC Trust • Marine Accident Investigation Board • Department Of Transport 	<ul style="list-style-type: none"> • Transport Operators (if evacuation required or likely to be significant disruption to transport routes) • BCC (rest centres) • Scottish, IOM, Liverpool and GB Councils (if incident involves ferry arriving from or departing to Scotland or England) • Voluntaries • Press & Media Officers of responding organisation • CCPB / NICS Departments • NIHE (for temporary homeless provision) 	PSNI – MCA, PSNI will coordinate the shore-based response on behalf of MCA. ²

² Discussion is underway between PSNI & MCA to clarify roles and responsibilities

Transport Accidents	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
<p>Aviation Accidents</p>	<p>NIFRS Airport Fires Service PSNI NIAS Belfast City Airport Airline Operators Community Trusts</p>	<ul style="list-style-type: none"> • NIHE (for homeless provision & temporary repairs to both private and public sector homes) • MCA if coastal inland waters or at sea. Helicopters, mud or cliff rescue. • AAIB • BCC (rest centres) • CCA. • Belfast Harbour Commissioners (if accident is on their land). • Belfast H&SC Trust 	<ul style="list-style-type: none"> • HSENI • DRD Ports and Airports Division. Department for Transport. • CCPB (if incident involves large numbers of casualties or significant infrastructure). • Utilities (if infrastructure is damaged or additional utilities are required). • EHS (if there has been spillage of aviation fuel or pollution of land or water, e.g. from fire fighting runoff). • Transport Operators (re disruption to transport routes) • Press & Media Officers of responding organisation • Community Groups • Airport of Departure or Arrival 	<p>PSNI</p> <p>NIFRS will control the hot zone of the incident.</p> <p>Co-ordination of consequence management for incident of regional significance – CEMG / CMG.</p>

Transport Accidents	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Road Accidents	NIFRS NIAS PSNI Transport Operators	<ul style="list-style-type: none"> • Roads Service (cleanup and traffic management,) • BCC (cleanup) • EHS (water pollution). 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • Transport Operators (re disruption to transport routes) • EHSSB • Belfast H&SC Trust • CCPB / NICS Departments 	PSNI NIFRS will control the hot zone of the incident.

Transport Accidents	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Rail Accidents	NIFRS NIAS PSNI Transport Operators	<ul style="list-style-type: none"> • BCC (premises for survivors, friends and relatives). • HSENI (if need for advice on safe working practices on accident site). • Belfast H&SC Trust • Utilities (if additional utilities needed or damage to utilities). • Railway Accident Investigation Branch 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • DRD Transport Divisions. • MCA (if SAR helicopter assistance required) • Transport Operators (re disruption to transport routes) • CCPB / NICS Departments • Voluntaries 	<p>PSNI</p> <p>NIFRS will control the hot zone of the incident.</p> <p>Co-ordination of consequence management for incident of regional significance – CEMG / CMG.</p>

Severe Weather	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Storms and Gales	NIFRS NIAS PSNI Roads Service Utilities Belfast City Council DARD Forestry Met Office	<ul style="list-style-type: none"> • NIHE • Belfast H&SC Trust 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • SSA (emergency social security payments). • MCA, • Transport Operators • Community Groups • CCPB / NICS Departments 	PSNI – for major incidents involving threat to life. BCC As a response is likely to be required at a regional or sub regional level, the appropriate strategic crisis management machinery (CEMG or CMG) may be established.

Severe Weather	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
<p>Low temperatures and or heavy snow</p>	<p>NIFRS NIAS PSNI Roads Service Utilities (restoration) BCC Belfast H&SC Trust Met Office</p>	<ul style="list-style-type: none"> • EHSSB 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • DARD (animal welfare issues). • DRD • DETI • NIHE • MCA, • Transport Operators • Community Groups • CCPB / NICS Departments 	<p>PSNI or BCC</p> <p>As a response is likely to be required at a regional or sub regional level, the appropriate strategic crisis management machinery (CEMG or CMG) may be established.</p>

Severe Weather	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Heatwave	EHSSB Belfast H&SC Trust Road Service NIAS Met Office	<ul style="list-style-type: none"> • Utilities (restoration) • NIO (if temp body storage required) • BCC (Environmental Health Service) 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • Funeral Directors • HSENI • PSNI • Voluntaries • Community Groups • CCPB / NICS Departments 	EHSSB DHSSPS As a response is likely to be required at a regional or sub regional level, the appropriate strategic crisis management machinery (CEMG or CMG) may be established.

Severe Weather	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Drought	Water Service	<ul style="list-style-type: none"> • BCC (Environmental Health) • Met Office • PSNI • NIFRS • EHSSB • Belfast H&SC Trust 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • DARD / USPSA (animal welfare issues). • Voluntaries • Community Groups • CCPB / NICS Departments, • Laganside 	<p>DRD Water Service EHSSB / DHSS on health issues</p> <p>As a response is likely to be required at a regional or sub regional level, the appropriate strategic crisis management machinery (CEMG or CMG) may be established.</p>

Severe Weather	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Flooding	Water Service Road Service Rivers Agency Belfast H&SC Trusts NIFRS NIAS PSNI Utilities BCC (rest centres, cleanup, structural safety) NIHE Laganside Met Office	<ul style="list-style-type: none"> • MCA (coastal flooding incident) • Harbour Police • Belfast City Airport, • Harbour Commissioners • Laganside corporation. • EHS – water pollution • MOD (Only via PSNI) • DRD Central Claims Unit • SSA (emergency social security payments) • EHSSB • Voluntaries (rest centres) • NIHE (temporary homeless provision & temporary repairs) 	<ul style="list-style-type: none"> • Belfast Chamber of Commerce • Belfast City Centre Management • Transport Operators (re disruption to transport routes) • Press & Media Officers of responding organisation • USPCA • EHS (if flooding has caused environmental contamination). • Community Groups • CCPB / NICS Departments 	PSNI or BCC depending on IMPACTS, scale and duration of incident

Structural	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Building / Bridge Collapse	NIFRS NIAS PSNI Roads Service Utilities (restoration) BCC	<ul style="list-style-type: none"> • HSENI • EHSSB • Laganside • MCA • Belfast H&SC Trust 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • Transport Operators (disruption to transport routes) • Voluntaries • Community Groups • Property Owners • CCPB / NICS Departments 	If rescue required, NIFRS - on site PSNI - off site

Structural	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
<p>Land Movement</p>	<p>NIFRS NIAS PSNI Roads Service Utilities BCC</p>	<ul style="list-style-type: none"> • EHS • NIHE (homeless provision and temporary repairs) • HSENI • NI Geological Survey 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • DETI • Property owners • Transport operators (disruption to transport routes) • Voluntaries • EHSSB • Community Groups • DARD Rivers Agency • CCPB / NICS Departments 	<p>If rescue required, NIFRS - on site PSNI - off site</p>

Structural	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Reservoir / Dam Failure	NIFRS NIAS PSNI Water Service Utilities Belfast H&SC Trusts Rivers Agency BCC (rest centres, cleanup) NIHE	<ul style="list-style-type: none"> • DRD Central Claims Unit • Met Office • SSA (emergency social security payments) • MCA • HSENI • Voluntaries (rest centres) • Belfast H&SC Trust 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • Transport Operators (disruption to transport routes) • Community Groups • CCPB / NICS Departments • Property Owners 	If rescue required, NIFRS - on site PSNI - off site

Human Health	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
<p>Human Health (non pandemic situation³)</p>	<p>EHSSB FSANI BCC Belfast H&SC Trusts NIAS</p>	<ul style="list-style-type: none"> • Water Service 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation NIFRS • Utilities • PSNI • USPCA • Funeral Directors • Transport Operators (disruption to transport routes) 	<p>EHSSB</p> <p>If regional significance, DHSSPS and CEMG/CMG</p>

³ Human pandemic coordination arrangements are in place and are via DHSSPS and CEMG / CMG

Animal Health	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
Animal Health	DARD	<ul style="list-style-type: none"> • BCC • USPCA • PSNI • EHSSB • Belfast Zoo • Utilities • Animal Welfare Charities • Private Contractors 	<ul style="list-style-type: none"> • Press & Media Officers of responding organisation • Transport operators (disruption to transport routes) • Utilities • CCPB / NICS, Departments 	DARD (local and regional)

Public Protest Industrial Accidents Public Safety	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
<p>Public Protest</p> <p>Industrial</p> <p>Accidents</p> <p>Public Safety</p> <p>Large scale public protest</p> <p>Targeted disruptive protest, e.g. fuel protest.</p> <p>Constraint on the supply of fuel</p> <p>loss of emergency service cover due to industrial action</p>	<p>NIFRS</p> <p>NIAS</p> <p>PSNI</p> <p>Utilities</p> <p>BCC</p> <p>Belfast H&SC Trust</p> <p>Transport Operators</p> <p>MOD (via PSNI)</p> <p>Belfast H&SC Trust</p>	<ul style="list-style-type: none"> • DETI (fuel supply) • DRD Roads Service 	<ul style="list-style-type: none"> • Education and Library Board • Press & Media Officers of responding organisation • Community Groups • CCPB / NICS Departments 	<p>BCC</p> <p>PSNI</p> <p>DETI</p> <p>Lead Organisation</p> <p>As a response is likely to be required at a regional or sub regional level, the appropriate strategic crisis management machinery (CEMG or CMG) may be established.</p>

Industrial / Technical failure	Potential key Responders	Potential Other Responders	Others to keep informed	Potential Coordinator
<p>Industrial / Technical failure</p> <p>Utilities failure – water, telecommunications, energy</p>	<p>Utilities DETI PSNI OFCOM</p>	<ul style="list-style-type: none"> • EHS • EHSSB • BCC Environmental Health 	<ul style="list-style-type: none"> • Emergency Services • Belfast H&SC Trust • Press & Media Officers of responding organisation • EHSSB • Community Groups • CCPB / NICS Departments 	<p>Lead organisation</p> <p>As a response is likely to be required at a regional or sub regional level, the appropriate strategic crisis management machinery (CEMG or CMG) may be established.</p>
