

# Building A Bumblebee Nest

Location/Park \_\_\_\_\_

You will need to get permission from the park manager.

**Prep time:** 5 minutes for one set of equipment

**Activity time:** 15 minutes

**You will need:**

- Terracotta Flower Pot with a hole in the bottom
- Trowel
- Dry grass or moss
- Sheltered spot that gets some sun

**Curriculum links/ learning outcomes:**  
**The World around us**

## Interdependence

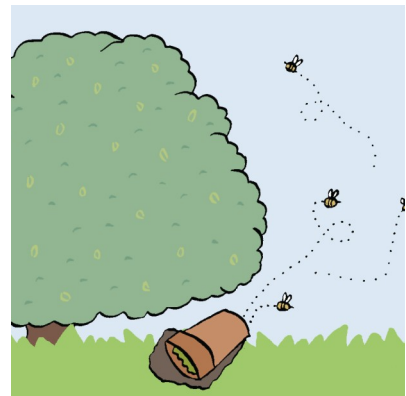

Pupils should be enabled to explore:

- How living things rely on each other within the natural world;

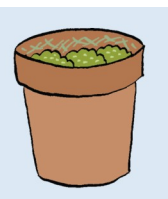

## Place

Pupils should be enabled to explore:

- Ways in which people, plants and animals depend on features and materials in places and how they adapt to their environment.

the

Dig a small shallow hole under a bush. Your chosen site should not get too hot or too cold and be in the sun for about half of the day.

Fill the flowerpot with dry grass and/ or moss

Half-bury the flowerpot upside down in the hole. Position it at an angle so that the hole in the bottom points out.
