

Equality Screening Template

The Council has a statutory duty to screen. This includes our strategies, plans, policies, legislative developments; and new ways of working such as the introduction, change or end of an existing service, grant funding arrangement or facility. This screening template is designed to help departments consider the likely equality impacts of their proposed decisions on different groups of customers, service users, staff and visitors.

Before carrying out an equality screening exercise it is important that you have received the necessary training first. To find out about the training needed or any other queries on screening, contact the Equality and Diversity Officers (job-share) Stella Gilmartin or Lorraine Dennis on extension 6026/7 or by email equality@belfastcity.gov.uk

The accompanying **Screening Guidance** note provides straightforward advice on how to carry out equality screening exercises. Detailed information about the Section 75 equality duties and what they mean in practice is available on the Equality Commission's website¹.

The screening template has 4 sections to complete. These are:

Section A - provides details about the policy / decision that is being screened

Section B – gives information on the consultation process, supporting evidence gathered and has 4 key questions outlining the likely impacts on all equality groups.

Section C - has 4 key questions in relation to obligations under the Disability Discrimination Order

Section D - is the formal record of the screening decision.
