Q12. Do you consider the Plan Strategy to be sound or unsound?

I believe it to be sound

8a. Sound

Q13. If you consider the Plan Strategy to be sound and wish to support the Plan Strategy, please set out your comments below:

Reasons for support:

The Trust supports the Plan Strategy's approach to promoting and protecting cultural facilities including its theatres. In particular we welcome the inclusion of the 'Agent of Change' principle into the plan as articulated through Policy TLC4. This will bring the same level of protection to Belfast's venues where potentially inappropriate or incompatible development is proposed as is now afforded to venues within England and proposed within Scotland and Wales.

We also support Policy TLC2, which provides strong protection for Belfast's cultural venues from unnecessary loss.
