Proposed Signage

Maldon St to be closed from junction with Donegall Rd to Junction with Lemberg St.

Road Closure signs to be placed at either end of Maldon St. Each Road Closed sign will be manned by a Sustrans volunteer for the duration of the road closure.

On Donegall Rd, approaching from Glenmachan St, propose placing Road Ahead Closed sign just past Meridi St. Diversion sign to be placed prior to Rydalmere St to advise left turn.

On Donegall Rd approaching from Roden St, propose Road Ahead Closed sign between Kitchener St & Soudan St.

At top of Maldon St, propose Diversion sign at junction with Lemberg St, to advise left turn, and further Diversion sign at junction with Rydalmere St to advise right turn towards Donegall Rd.

In the event that vehicle access cannot be avoided (eg, blue badge holders, emergency vehicles)

Staff and volunteer stewards at road closure signs will use the command CLEAR ROAD to signal that all children must move to the pavement. Pupils will be briefed on this by DR and AD beforehand. Stewards will not open road for vehicle until it is clear. Vehicles (residents, blue badge holders and emergency vehicles) will be accompanied at walking speed. Staff and volunteers to wear hi-vis at all times.

Full Risk Assessment will be completed to include this detail
