Foreword

As the democratically elected body representing the people of Belfast, it's important for us to be conscious of the Disability Discrimination Act 1998 when carrying out our functions and providing civic leadership.

This Disability Action Plan is an important document in that it reaffirms Belfast City Council's commitment to fulfilling our statutory obligations in compliance with Section 49A of the Disability Discrimination Act 1995 (as amended by the Disability Discrimination (NI) Order 2006) which places new duties on public authorities to:

- promote positive attitudes towards disabled people
- encourage participation by disabled people in public life.

The council's Disability Action Plan (hereinafter referred to as 'the Plan') sets out how we propose to positively meet these new duties.

The council exists to serve the people of Belfast and to provide civic leadership on issues of concern to the people who live and work in the city.

We will ensure that all councillors and council employees are aware of the DDO disability duties. We will take the lead to ensure that the necessary resources are made available for preparing councillors and employees to deliver the actions set out in this Plan. We wish to ensure that the Disability Action Plan is implemented effectively in the true spirit of our commitment to the DDO duties.

7. Five year review

7.1 We will carry out a five year review of the Plan in accordance with guidelines from the Equality Commission for NI.

8 Consultation

8.1 We are committed to carrying out consultation in accordance with the guiding principles set out in the Equality Commission guidelines and recognise the need for such consultation to be timely, open and inclusive.

8.2 We are keen to seek the views of disabled people on this revised and updated Plan. We will:

- consult our AA list (a list of consultees identified in our Equality Scheme)
- present the Plan to the council's equality consultative forum which includes representatives from disability organisations;
- present the plan to our Disability Advisory Panel and
- host a targeted consultation event.

8.3 The anticipated outcomes of this robust consultation exercise are to:

- identify barriers faced by disabled people in public life and specifically any barriers they've encountered when dealing with us;
- identify past examples where we have not promoted positive attitudes towards disabled people and identify future opportunities to promote positive attitudes;
- set priorities and identify solutions to take remedial action; and
- monitor and review how effective these measures have been.

- 8.4 When consulting on any matter relating to the duties, we will work with representative groups, individuals with disabilities and Section 75 groups on the best way to get their views. This may take the form of face to face meetings, advisory groups, surveys, consultative panels, internet discussions and other methodologies identified as best practice. Consultee responses to the consultations and our response will be recorded. All consultees will receive a copy of our response to their comments.
- 8.5 We will place the Plan on our website asking for feedback from individuals and organisations.
- 8.6 As part of the consultative process, we will remove barriers by making sure documents are available in alternative formats, including large print, Braille, audio cassette, computer disk, easy read, signed language format and plain language. This will be done in a timely fashion and will establish the basis for dialogue and engagement with disabled people during the life of the Plan.
- 8.7 We will develop best practice in communicating with young disabled people as well as looking at additional dimensions which create multiple identities such as ethnicity, age, gender, sexual orientation and religious belief.
- 8.8 Belfast City Council is keen to ensure the highest level of inclusivity in our consultation and therefore we will consider the following:
- The time of day of the meeting;
 - The appropriateness of the venue to ensure the highest standard of accessibility
 - How the meeting will be run
 - The use of appropriate language
 - Whether a signer or interpreter or other communication support is necessary
 - Ensuring that the communication of the consultation is inclusive and timely

8.8 We believe that it's important for disabled people to be involved in the implementation, monitoring and review of the Plan. The Action Plan at Appendix 1 lays out the initiatives Belfast City Council wishes to implement. We are keen to hear your views and comments on these actions and will consider amending them or including additional ones following the comments we receive.
