Appointment

The appointment will be made by the selection panel, but will be subject to ratification by the director of the relevant department.

There may be a reserve list of applicants drawn up for this post which would last for a maximum of 12 months. Should a similar post become vacant within this time, it may be offered to those on the reserve list, in order of merit, without further interview. For generic-type posts, this may include posts in another department.

If you are offered and you accept a temporary position e.g. a temporary part-time position for 3 months, and another temporary part-time position arises from the same recruitment campaign e.g. for 1 year, regardless of whether or not you are still working in your temporary part-time position, you will not be offered any further temporary part-time position.

However, in certain circumstances, when all relevant applicants on the reserve list for temporary vacancies, full-time or part-time, have been offered opportunities for which they expressed a preference on their application form, and if the timing of the reserve list is still valid and there are still temporary vacancies to fill before the reserve list expires, the council reserves the right to 'revisit' the reserve list in strict order of merit. This is the only time when an individual who has been appointed to a temporary position e.g. a temporary part-time position can be offered another temporary part-time position.

If a similar post does become vacant within this time, it will be offered to candidates on the reserve list in the following way:

1. Candidates will be initially contacted by telephone and **must** respond within three working days to accept or decline the post.
2. Candidates who cannot be contacted by telephone will be contacted by letter and **must** respond by telephone or by return of acceptance form within five working days of the date of the letter.

If candidates do not respond within the above time frames, the post will be offered, in order of merit, to the next person on the reserve list. The names of those candidates who have not responded within the above timeframes will be retained on the reserve list, in order of merit, to be considered for future vacant posts.

However, if candidates have been contacted on three separate occasions, and they have not responded within the above timeframes on these three occasions, the council will assume that they are no longer interested in the post and their names will be removed from the reserve list.

Should your contact telephone numbers or your address change since you submitted your application form, it is your responsibility to notify the HR Employee Resourcing Unit on 028 9027 0640 or by emailing jobs@belfastcity.gov.uk with your new contact details.

There is currently one full-time 'temporary project' post until 31 March 2023, subject to review. An existing permanent employee of Belfast City Council will, if successful, be appointed on the basis of undertaking a 'temporary project' post with the right to return to their substantive post at the conclusion of the 'temporary project' post. An existing temporary or fixed term contract employee will, if successful, be appointed on the basis of a further temporary or fixed term contract into a 'temporary project' post but with no automatic right to revert back to their original temporary or fixed term contract post. Similarly, an existing agency assignee will, if successful, be appointed on the basis of a 'temporary project' post but with no automatic right to revert back to their original agency assignment. Temporary and fixed term contract employees and agency assignees should give consideration to this prior to applying or accepting this post.

For internally trawled permanent or temporary project/cover/review posts, candidates must remain current employees or agency assignees throughout the selection process in order to be recommended for appointment. Candidates who are no longer current employees or

agency assignees as at the short-listing, testing/assessment or interview stage will not be eligible to progress through the process; even if they were an employee or agency assignee at the closing date for receipt of applications. Similarly, if placed on the reserve list, candidates must still be current employees or agency assignees as at the point in time that a vacancy arises. Candidates who are no longer Belfast City Council employees or agency assignees will not be offered any future vacant posts from a reserve list, even if the timing of the reserve list is still valid.

Service and hours of duty

The hours of duty are 37 per week, working five days per week, Monday to Friday. Flexible working hours are in operation between 7.30am and 6.30pm, with set core times that the person appointed must be in work. However, the person appointed will be required to start and finish work at specific times that suit the operational needs of the service and they will, when advised, be required to work outside of these hours for operational reasons including on extra statutory, bank and/or public holidays.

In accordance with the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service variations to the established working week or patterns of work will be reasonable and subject to adequate notice.

Annual leave

Annual leave and extra statutory, bank or public holiday entitlement is calculated in hours/minutes.

A person appointed on the standard full time hours of 37 per week will be entitled to 170.2 hours (23 days) annual leave, plus 88.8 hours (12 days) bank or other holidays.

Annual leave entitlement will be increased by 37 hours (5 days) in the case of officers who have not less than 5 years' continuous service and by a further 22.2 hours (3 days) in the case of officers who have not less than 10 years' continuous service.

Figures in brackets represent the number of days based upon a standard day of 7.4 hrs.

For individuals who do not work the standard full-time hours, annual leave and extra statutory, bank or public holiday entitlement will be calculated on pro-rata basis to their contracted hours, based on the standard full time hours of 37 per week and a standard day of 7.4 hours (i.e. 7 hrs 24 minutes).

Employees are entitled to a holiday with a normal day's pay for each of the statutory, general and public holidays as they occur. Where the balance of the employee's public / bank and statutory holiday entitlement has been exhausted, additional leave taken for public / bank and statutory holidays will be deducted from the employee's annual leave entitlement.

All employees required to work on extra statutory, bank or public holidays will be remunerated in accordance with Part 3, paragraph 2 of the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service.

The leave year commences on 1 April. If an employee starts part way through the annual leave year, the employee will receive annual leave entitlement on a pro rata basis, calculated on the number of days remaining in the current leave year from the first day of employment.

Sick leave

This scheme is intended to supplement Statutory Sick Pay and Incapacity Benefit so as to maintain normal pay during defined periods of absence on account of sickness, disease, accident or assault. Absence in respect of normal sickness is entirely separate from absence through industrial disease, accident or assault arising out of or in the course of employment with a local authority. Periods of absence in respect of one shall not be set off against the other for the purpose of calculating entitlements under the scheme. Employees are entitled to receive sick pay for the following periods:

The LGPS (NI) is administered by Northern Ireland Local Government Officers' Superannuation Committee (NILGOSC) (www.nilgosc.org.uk).

Canvassing

Canvassing in any form, oral or written, direct or indirect, will disqualify an applicant for appointment. Candidates can, however, contact the relevant department for further information about the post. The person from the relevant department who provides further information should not be a member of the selection panel.
