Belfast City Council is the Data Controller under the General Data Protection Regulations (GDPR) for the personal data it processes relating to job applicants. Processing data from job applicants allows the council to manage the recruitment process, assess and confirm an applicant's suitability for employment and decide to whom to offer a job. It may also need to process data from job applicants to respond to and defend against legal claims.

If you apply for this job, you will be providing your personal data to the council whose lawful basis for processing it is for the performance of a task carried out in the public interest or in the exercise of official authority. In some cases, the council will also need to process your data to ensure it is complying with its legal obligations. For example, to monitor applicants' sensitive data for equal opportunities purposes and to check applicants' eligibility to work in the UK before employment starts. The council will collect a range of information about you, including:

- your name, address and contact details, including email address and telephone number;
- details of your qualifications, skills, experience and employment history;
- information about your current level of remuneration, which may include benefit entitlements;
- whether or not you have a disability, or if your first language is not English, so that it can make reasonable adjustments, as required, during the recruitment process; and
- information about your entitlement to work in the UK etc.

The council will collect this information in a variety of ways for example, by application forms, through forms of assessment, from interview or from your identity documents. It may also collect personal data about you from third parties, such as references, but it will only seek this data if you have been recommended for appointment to the post and it will inform you that it is doing this. Your personal data will be shared internally within the council with staff who are involved in the recruitment process and, where necessary, between internal departments for the purpose of ensuring a fair, systematic and objective recruitment and selection process is in place. Please see further details of the terms and conditions relating to this post set out below:

Appointment

The appointment will be made by the selection panel, but will be subject to ratification by the director of the relevant department.

There may be a reserve list of applicants drawn up for this post which would last for a maximum of 12 months. Should a similar post become vacant within this time, it may be offered to those on the reserve list, in order of merit, without further interview. **These posts may be either full-time, part-time or job-share on a fixed term or temporary basis.**

If you are offered and you accept a temporary position e.g. a temporary part-time position for 3 months, and another temporary part-time position arises from the same recruitment campaign e.g. for 1 year, regardless of whether or not you are still working in your temporary part-time position, you will not be offered any further temporary part-time position. However, in certain circumstances, when all relevant applicants on the reserve list for temporary vacancies, full-time or part-time, have been offered opportunities for which they expressed a preference on their application form, and if the timing of the reserve list is still valid and there are still temporary vacancies to fill before the reserve list expires, the council reserves the right to 'revisit' the reserve list in strict order of merit. This is the only time when an individual who has been appointed to a temporary position e.g. a temporary part-time position can be offered another temporary part-time position.

If a similar post does become vacant within this time, it will be offered to candidates on the reserve list in the following way:

1. Candidates will be initially contacted by telephone and **must** respond within three working days to accept or decline the post.
2. Candidates who cannot be contacted by telephone will be contacted by letter and **must** respond by telephone or by return of acceptance form within five working days of the date of the letter.

If candidates do not respond within the above time frames, the post will be offered, in order of merit, to the next person on the reserve list. The names of those candidates who have not responded within the above timeframes will be retained on the reserve list, in order of merit, to be considered for future vacant posts.

However, if candidates have been contacted on three separate occasions, and they have not responded within the above timeframes on these three occasions, the council will assume that they are no longer interested in the post and their names will be removed from the reserve list.

Should your contact telephone numbers or your address change since you submitted your application form, it is your responsibility to notify the HR Employee Resourcing Unit on 028 9027 0640 or by emailing jobs@belfastcity.gov.uk with your new contact details.

There is currently one full-time, temporary post until 6 June 2023, subject to review, within the discrete area of System Configuration and Support.

While this is a generic post, there are various specialist areas within Digital Services that require specific experience and skills. Following the application and interview process, a reserve list may be compiled for future temporary vacancies that may arise in the specific advertised area of System Configuration and Support. This reserve list would last for a maximum of 12 months and posts may be offered to those on the reserve list, in order of merit, without further interview. These posts will be full-time or part-time on a temporary basis. If, however, a Senior Digital Analyst temporary vacancy arises in another discrete specialism, applicants on reserve list for System Configuration and Support will not be eligible and may have to reapply.

An existing permanent employee of Belfast City Council will, if successful, be appointed on the basis of undertaking a 'temporary cover' post with the right to return to their substantive post at the conclusion of the 'temporary cover' post. An existing temporary or fixed term contract employee will, if successful, be appointed on the basis of a further temporary or fixed term contract into a 'temporary cover' post but with no automatic right to revert back to their original temporary or fixed term contract post. Similarly, an existing agency assignee will, if successful, be appointed on the basis of a 'temporary cover' post but with no automatic right to revert back to their original agency assignment. Temporary and fixed term contract employees and agency assignees should give consideration to this prior to applying or accepting this post.

The post of Senior Digital Analyst (PO2) has a generic job description but there is currently one temporary post in the discrete area of System Configuration and Support.

While the post of Senior Digital Analyst has a generic job description, there are several discrete and specialist areas of work within Digital Services that require specific experience and skills. This specific recruitment exercise is for Senior Digital Analyst post in the area of System Configuration and Support. In addition to filling the immediate vacancy, we also intend to create a reserve list of successful applicants, in strict order of merit based on performance at interview. We anticipate that the reserve list for Senior Digital Analyst posts in System Configuration and Support will last for 12 months, or until it is exhausted, whichever is sooner. Should a post in System Configuration and Support become available within this time we may offer it to those on the reserve list, in order of merit, without further interview.

These posts will be on a fixed term/temporary basis and may be working full-time, part-time or job share hours.

Please indicate below whether you would be interested in working full-time or part-time hours by ticking the appropriate box.

Hours of work:

Part-time

Job share

You can apply for all positions and, if appointed to the reserve list, you will be considered for full-time, part-time and job share hours.

If you apply for all positions, you can accept a post working part-time hours without giving up your right to be offered a post working full-time hours.

It is important to note: If you are placed on the reserve list, you will only be offered vacant posts on the basis of the information you have provided above. For example, if you have ticked that you wish to be considered for full-time hours only and a part-time post becomes available, we will not offer you this part-time post.
