Processing data from job applicants allows the council to manage the recruitment process, assess and confirm an applicant's suitability for employment and decide to whom to offer a job. It may also need to process data from job applicants to respond to and defend against legal claims.

If you apply for this job, you will be consensually providing your personal data to the council whose lawful basis for processing it is for the performance of a task carried out in the public interest or in the exercise of official authority.

The council will collect a range of information about you, including:

- your name, address and contact details, including email address and telephone number;
- details of your qualifications, skills, experience and employment history;
- information about your current level of remuneration, which may include benefit entitlements;
- whether or not you have a disability, or if your first language is not English, so that it can make reasonable adjustments, as required, during the recruitment process; and
- information about your entitlement or eligibility to work in the UK.

The council will collect this information in a variety of ways for example, by application forms, through forms of assessment, from interview or from your identity documents. It may also collect personal data about you from third parties, such as references, but it will only seek this data if you have been recommended for appointment to the post and it will inform you that it is doing this.

Your personal data will be shared internally within the council with staff who are involved in the recruitment process and, where necessary, between internal departments for the purpose of ensuring a fair, systematic and objective recruitment and selection process is in place. It may also be shared with external consultants appointed by the Council for the purposes of candidate attraction and selection, or for the purpose of language interpretation where appropriate.

Please see further details of the terms and conditions relating to this post set out below:

### **Appointment**

The appointment will be made by the selection panel but will be subject to ratification by the director of the relevant department.

### **There is currently one permanent, full time post.**

There may be a reserve list of applicants drawn up for this post which would last for a maximum of 12 months. Should a similar post become vacant within this time, it may be offered to those on the reserve list, in order of merit, without further interview. **These posts may be either full-time, part-time, or job share on a permanent, temporary or fixed-term basis.**

If you are offered and you accept a temporary position e.g. a temporary part-time position for 3 months, and another temporary part-time position arises from the same recruitment campaign e.g. for 1 year, regardless of whether or not you are still working in your temporary part-time position, you will not be offered any further temporary part-time position. However, in certain circumstances, when all relevant applicants on the reserve list for temporary vacancies, full-time or part-time, have been offered opportunities for which they expressed a preference on their application form, and if the timing of the reserve list is still valid and there are still temporary vacancies to fill before the reserve list expires, the council reserves the right to 'revisit' the reserve list in strict order of merit. This is the only time when an individual who has been appointed to a temporary position e.g. a temporary part-time position can be offered another temporary part-time position.

If a similar post does become vacant within this time, it will be offered to candidates on the reserve list in the following way:

1. Candidates will be initially contacted by telephone and **must** respond within three working days to accept or decline the post.
2. Candidates who cannot be contacted by telephone will be contacted by letter and **must** respond by telephone or by return of acceptance form within five working days of the date of the letter.

If candidates do not respond within the above time frames, the post will be offered, in order of merit, to the next person on the reserve list. The names of those candidates who have not responded within the above timeframes will be retained on the reserve list, in order of merit, to be considered for future vacant posts.

However, if candidates have been contacted on three separate occasions, and they have not responded within the above timeframes on these three occasions, the council will assume that they are no longer interested in the post and their names will be removed from the reserve list.

Should your contact telephone number or your address change since you submitted your application form, it is your responsibility to notify the HR Employee Resourcing Unit on 028 9027 0640 or by emailing [jobs@belfastcity.gov.uk](mailto:jobs@belfastcity.gov.uk) with your new contact details.
