Appointment

The appointment will be made by the selection panel, but will be subject to ratification by the director of the relevant department.

There is currently one permanent, full time post.

There may be a reserve list of applicants drawn up for this post which would last for a maximum of 12 months. Should a similar post become vacant within this time, it may be offered to those on the reserve list, in order of merit, without further interview. **These posts may be either full-time or part-time and on a permanent, temporary or fixed-term basis.**

If you are offered and you accept a temporary position e.g. a temporary part-time position for 3 months, and another temporary part-time position arises from the same recruitment campaign e.g. for 1 year, regardless of whether or not you are still working in your temporary part-time position, you will not be offered any further temporary part-time position. However, in certain circumstances, when all relevant applicants on the reserve list for temporary vacancies, full-time or part-time, have been offered opportunities for which they expressed a preference on their application form, and if the timing of the reserve list is still valid and there are still temporary vacancies to fill before the reserve list expires, the council reserves the right to 'revisit' the reserve list in strict order of merit. This is the only time when an individual who has been appointed to a temporary position e.g. a temporary part-time position can be offered another temporary part-time position.

If a similar post does become vacant within this time, it will be offered to candidates on the reserve list in the following way:

1. Candidates will be initially contacted by telephone and **must** respond within three working days to accept or decline the post.
2. Candidates who cannot be contacted by telephone will be contacted by letter and **must** respond by telephone or by return of acceptance form within five working days of the date of the letter.

If candidates do not respond within the above time frames, the post will be offered, in order of merit, to the next person on the reserve list. The names of those candidates who have not responded within the above timeframes will be retained on the reserve list, in order of merit, to be considered for future vacant posts.

However, if candidates have been contacted on three separate occasions, and they have not responded within the above timeframes on these three occasions, the council will assume that they are no longer interested in the post and their names will be removed from the reserve list.

Should your contact telephone numbers or your address change since you submitted your application form, it is your responsibility to notify the HR Employee Resourcing Unit on 028 9027 0640 or by emailing jobs@belfastcity.gov.uk with your new contact details.

If the person appointed acquires a conviction throughout the course of his/her employment with Belfast City Council, he/she must bring this to the attention of his/her line manager/departmental HR representative. Failure to comply with this request can result in a breach of the terms and conditions of employment and may result in sanction or dismissal. Any information will be dealt with confidentially and help is available.

Flexible working hours are in operation between 7.30am and 6.30pm, with set core times that the person appointed must be in work. However, the person appointed will be required to start and finish work at specific times that suit the operational needs of the service and she/he will, when advised, be required to work outside of these hours for operational reasons including on extra statutory, bank and/or public holidays.

The person appointed may be required to undertake work outside the normal office hours above and to provide occasional cover for out of hours services. Any such work will be on an occasional basis and will attract additional payments.

In accordance with the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service variations to the established working week or patterns of work will be reasonable and subject to adequate notice.

Annual leave

Annual leave and extra statutory, bank or public holiday entitlement is calculated in hours/minutes.

A person appointed on the standard full time hours of 37 per week will be entitled to 170.2 hours (23 days) annual leave, plus 88.8 hours (12 days) bank or other holidays.

Annual leave entitlement will be increased by 37 hours (5 days) in the case of officers who have not less than 5 years' continuous service and by a further 22.2 hours (3 days) in the case of officers who have not less than 10 years' continuous service.

Figures in brackets represent the number of days based upon a standard day of 7.4 hrs.

For individuals who do not work the standard full-time hours, annual leave and extra statutory, bank or public holiday entitlement will be calculated on pro-rata basis to their contracted hours, based on the standard full time hours of 37 per week and a standard day of 7.4 hours (i.e. 7 hrs 24 minutes).

Employees are entitled to a holiday with a normal day's pay for each of the statutory, general and public holidays as they occur. Where the balance of the employee's public / bank and statutory holiday entitlement has been exhausted, additional leave taken for public / bank and statutory holidays will be deducted from the employee's annual leave entitlement.

All employees required to work on extra statutory, bank or public holidays will be remunerated in accordance with Part 3, paragraph 2 of the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service.

The leave year commences on 1 April. If an employee starts part way through the annual leave year, the employee will receive annual leave entitlement on a pro rata basis, calculated on the number of days remaining in the current leave year from the first day of employment.

Sick leave

This scheme is intended to supplement Statutory Sick Pay and Incapacity Benefit so as to maintain normal pay during defined periods of absence on account of sickness, disease, accident or assault. Absence in respect of normal sickness is entirely separate from absence through industrial disease, accident or assault arising out of or in the course of employment with a local authority. Periods of absence in respect of one shall not be set off against the other for the purpose of calculating entitlements under the scheme. Employees are entitled to receive sick pay for the following periods:

During second year of service	two months' full pay, and two months' half pay

After five years' service	six months' full pay, and six months' half pay
