Dear Sir/Madam,

Re: Belfast LDP 2035 – Draft Plan Strategy – Publication of Representations

Belfast City Council is publishing the representations that were received during the statutory public consultation period for the Belfast Local Development Plan 2035 draft Plan Strategy. This is in accordance with the Planning (Local Development Plan) Regulations (Northern Ireland) 2015. The representations will be available for inspection from **12 noon on Friday 1st March 2019** at the Belfast Planning Service offices and on the Council's website.

Counter-representations may be made on any site-specific policy representation (a policy that identifies a site for a particular use or development). These must be received by Belfast Planning Service by **12 noon on Friday 26th April 2019**. These will be published and submitted to the Department for Infrastructure for consideration alongside all the draft development plan documents at an independent examination.

The representations, further guidance and details on how to make counter-representations are available the Council's website at www.belfastcity.gov.uk/LDP.

Yours sincerely

Keith Sutherland
Development Planning & Policy Manager
